You will stay at one of the world's great hotels set in the spectacular Perthshire countryside with first class facilities and many additional attractions (if you can drag yourself away from the golf courses!).

**EICC EDINBURGH INTERNATIONAL CONFERENCE CENTRE
5TH - 8TH SEPTEMBER 2010**

The planned programme for the competition is detailed below:

Wednesday 1st September: Arrive at Gleneagles in the afternoon with the Welcome Reception at the hotel and announcement of 'matches' and starting times.

Thursday 2nd September: First round of 'matches' on one of the courses followed by the Competition Dinner in a private room in the evening.

Updates on arrangements for this competition will be posted on the ICSES 2010 website when they are available.

For those who wish to play golf separately please see:- www.icses2010.com/Golf-g.asp

**4) The 3rd International Congress of Shoulder & Elbow Therapists (3rd ICSET)
Martin Scott, Local ICSET Organiser**

The 3rd ICSET will run parallel with the surgical programme, with synchronised timetables and open access between both conferences and a combined social programme. The organisers Martin Scott (UK), John Basti (USA) and Jo Gibson (UK) are pleased to present a broad and exciting programme with leading international researchers already confirmed to attend.

The programme will include case studies, free papers and invited speakers on topics including: the elbow, scapular dyskinesis, the kinetic chain, manual therapy, EMG evidence and rehab, neurovascular problems and pain.

Abstract submissions (including case studies) will be through the same system as the surgical conference.

5) Booking your Hotel accommodation for the ICSES 2010

The hugely popular Edinburgh International Festival ends on Saturday 4th September 2010 and the closing Military Tattoo is also on Saturday 4th September (see www.edinburghfestivals.co.uk/). Those attending should consider coming prior to the ICSES2010 Congress, including the last days of the International Festival. However more importantly, hotel accommodation in Edinburgh during the week from Monday 30th August to Saturday 4th September is at a premium – accommodation will need to be booked for this week well in advance and will be expensive unless you plan to book in to “Economy” hotels. Those who have already decided to come to Edinburgh during the week before ICSES 2010 should consider making their hotel bookings early i.e. now, to avoid disappointment.

Our Meeting Organisers are happy to give guidance if you email them at: ICSES2010@meetingmakers.co.uk

6) The 12th Combined Meeting of the Orthopaedic Associations 12-17th September 2010

This meeting is being held in Glasgow (only 40 miles from Edinburgh) and virtually back to back with the 11th ICSES meeting. Further information is available at: - www.comoc2010.org and the **closing date for the submission of Abstracts is 31st December 2009 at midnight GMT.**

Finally, please register on our website at: <http://www.icses2010.com/Register-Interest-g.asp> for further information and we will then be able to keep you regularly updated on our plans for ICSES 2010.
